

## **SAFETY, HEALTH AND ENVIRONMENT POLICY**

We, at **Agro Pack**, are committed to providing a safe and healthy environment to all our employees. We ensure effective management of our environmental aspects by avoiding, reducing and controlling activities, causing environmental pollution. And hence we declare that

- We will comply with all applicable Statutory, Regulatory and Other requirements.
- We will provide adequate training to all employees to make them competent to do their work
- We will educate and trained to all employees for emergency preparedness
- We will document and investigate all incidents/ accidents and take necessary corrective and preventive action.
- We will do the risk assessment of all plants at regular interval to ensure the safe and secured environment to all our employees.
- We will focus on pollution abatement, resource optimization and waste minimization
- We will conserve natural resources like water/material and energy through regular monitoring.
- We will do regular interaction with employees to ensure that safe and healthy environment for every one.
- We will set objectives related to safety, health and environment and try to upgrade them.
